SO ORDERED:

**HON. NELSON S. ROMÁN
UNITED STATES DISTRICT JUDGE**

Re: Canty v. Cunningham, et. al., 24 CV 014 (NSR)(JCM)

Dear Judge Román:

This Office represents Defendants T. Cunningham, C. Gonzalez, J. Gonzalez, B. Rousseau (sued as "Russo"), and M. Ruquet (sued as "Roquet") in the above-referenced action. In a Scheduling Order issued on March 27, 2025 (Dkt. No. 26), Your Honor scheduled a Case Management Conference for June 20, 2025. The parties jointly write to respectfully request an adjournment of that Case Management Conference until after the close of discovery and on a date that is convenient for the Court. This is the first request for an adjournment of the June 20, 2025 Case Management Conference.

The reason for this request is that, pursuant to our initial discovery conference held before Magistrate Judge Judith C. McCarthy on April 17, 2025, discovery in this case was extended until at least June 30, 2025, with a second discovery conference scheduled for June 25, 2025. (Dkt. Entry for April 17, 2025). As such, discovery will not be completed by June 20, 2025, and it is possible that additional time to complete discovery will be needed. Furthermore, on June 20, the undersigned counsel for the Defendants will be on trial before the Hon. Kenneth Karas in the matter of *Gunn v. Ayala*, 20-CV-840.

We thank the Court for its attention to this request.
